Issues related to academic, scholarly, and professional integrity at the University of Connecticut are governed by the Policy on Academic, Scholarly, and Professional Integrity and Misconduct Policy and the Procedures for Addressing Alleged Violations of the Policy on Academic, Scholarly, and Professional Integrity.

To recommend substantive changes to the policy or procedures document, a committee that brings together representatives from University Senate, The Graduate Faculty Council, and the unit(s) responsible for implementing the policy must be convened. The committee must bring those recommended changes to the University Senate and Graduate Faculty Council, and each body must vote to approve any changes before they are implemented.
