

# UConn's Multiple Campuses

Avery Point  
Hartford  
Stamford  
Waterbury

STUDENTS FIRST, UCONN ALWAYS, HUSKIES FOREVER **UConn**

- 81% retention rate equals the national average of all public, 4-year institutions
- UConn regional campus students graduate at a rate 18 percentage points higher than the national average for graduation of public, four-year institutions (60% vs. 42%)
- Remarkable trends considering ***over half of our undergraduate students enrolled on our Regional Campuses are first-generation college students and half are Pell students.***

# LOOKING AHEAD

**Significant increase in first choice applicants at each campus**  
percent increase from FY25 to FY26 as of January 2025:

- 117% at Avery Point
- 51% at Hartford
- 34% at Stamford
- 45% at Waterbury

Photo Credit: UConnAPAC

**Strategic Planning**: Regional Campus Deans are leading strategic planning efforts at their respective campuses that tie into the University's Strategic Plan. Roll out of campus-specific plans paused temporarily as the SEM Plan is finalized for the university.

## Research Landscape

- Department of Marine Sciences
- Connecticut's National Estuarine Research Reserve (CT NERR)
- Connecticut's Initiative for Environmental Research of Offshore Wind (CIROW)
- Connecticut Institute for Resilience and Climate Adaption (CIRCA)
- National Institute for Undersea Vehicle Technology (NIUVT)
- Mystic Aquarium Research Group
- Connecticut Sea Grant

## Community Outreach & Engagement

- Tribal Education Initiative – campus is partnering with the 5 Tribal Nations in Connecticut to establish new educational offerings and research initiatives.
- Alexey von Schlippe Gallery – amplifies originality and creativity among undergraduate and graduate students and artists. Hosted 8 exhibitions this year, with 79 artists presenting their work.
- Partnership with the US Coast Guard Academy on STEM programming – Initiative is designed to recruit, accept, retain and graduate women and underrepresented minorities from the USCGA applicant pool into the Coast Guard's engineering, science and cyber workforce.
- New England Regional tuition has been expanded for all NE students who wish to attend Avery Point, providing access to a UConn education.

## Student Success

- [Avery Point Academic Center \(APAC\)](#) provides tutoring in nearly every subject area and mentoring for students looking for extra guidance and support.
- [FYE Program](#) supports student success, personal development, support transitioning to the university, and a leadership opportunity for upperclassman to become mentors and teach alongside an FYE instructor.
- Residential Hall planned for fall 2027

## Teaching Excellence

The Office of Academic Affairs, working with academic departments and CETL provides faculty with opportunities for development and training.

The Campus Dean hosts meetings with faculty across disciplines that provide an opportunity for collegial feedback and to share strategies and solutions to teaching challenges.

## Diversity, Equity, Inclusion & Justice (DEIJ)

- [Avery Point Diversity and Equity Committee \(AP DEI\)](#) is comprised of a dedicated group of faculty, staff, and students engaged in building a safe and inclusive campus community where everyone feels valued, supported, and empowered to succeed by promoting events and opportunities for all campus members.
- In partnership with CAPS, the campus will again host Upward Bound students during the summer and expand engagement through a new three-year ConnCap grant.
- Expanded STEM Program with NFA and NLHSMC

## Research Landscape

Research on Resilient Cities, Racism, and Equity (RRCRE)

- 2021-2025 grant applications total ~\$21.7m; awarded ~\$3.22m
- Future grant applications anticipated ~7m (to include NSF REU, NSF Racial Equity in STEM, NIJ)
- Moved to UConn @ XL Center, March 2025

Other Research Infrastructure

- School of Public Policy and Institute for Municipal and Regional Policy
- School of Social Work
- Rudd Center for Food Policy and Healthy
- Health Disparities Institute

## Community Outreach & Engagement

Community Intersections & Innovation Space at the XL Center: 53K sq ft space will host several research institutes and centers (e.g., RRCRE; CT Food Innovation Center; Institute for Sports Medicine; Health Professions, Doctors Academy)

UConn Interdisciplinary Community CoLab Center: A planned interdisciplinary space that brings together university students, faculty, and staff along with members of the greater Hartford community to identify, diagnose and find solutions to societal challenges. Will serve as a catalyst for research and entrepreneurship for units across UConn including Health, Social Work, Law, Business, Extension, and other urban community and justice-oriented programs.

## Student Success

- Residence Hall opening fall 2026
- Transformation, Equity, Access & Sense of Belonging (TEAS): \$1.9M 5-year federal AANAPISI grant
- AAPI identified=17% Hartford students
- Access to culturally relevant curriculum
- TEAS mentorship program
- Doubled mental health services capacity
- Improve persistence, performance, and retention

## Teaching Excellence

**STEM Intervention Initiatives**: Launched Faculty Fellowship and STEM intervention programs aimed at lowering DFW rates

**Teaching Lab Initiative**: Collaborated with CLAS and CETL to co-sponsor a teaching lab enhancing student learning

**Diversity, Equity,  
Inclusion & Justice  
(DEIJ)**
