- b. Betsy McCoach made a motion to establish a policy on SET review and timeline – as laid out in the above draft document. They summarized the proposed motion and opened the floor to discussion. The motion was amended to state 5 years between the reviews and additional edits were made related to the taskforce outcomes. The motion was approved unanimously as amended.
- c. Discussion pivoted to establishing a review process of the SET instrument, and parameters for such a review. Betsy McCoach suggested breaking down the work of establishing this review process into subcommittees by focus area. Betsy McCoach

added that they can request reports/data from BPIR for the full group to analyze once received. Ultimately, the group decided to move forward with two subcommittees focused on (1) Department Chair/Deans Survey, chaired by Martina Rosenberg and (2) Lit. Review of SET chaired by Betsy McCoach. Betsy McCoach also said that they would aid discussion in the Spring by compiling data and sharing it in advance with the group, so that a productive discussion could be had.
